

## Has the output of your distillation unit significantly decreased?

### If so, it may be time to change the oil!

Not changing your oil causes carbon build-up which leads to:

- ◆ Higher Energy Consumption
- ◆ Machine Failure
- ◆ Reduced Output

Contact Shawn Tiikkala at 704-875-1200, ex. 1311  
or e-mail: [stiikkala@daetwyler.com](mailto:stiikkala@daetwyler.com) to purchase parts and schedule maintenance.

This shows what 10 years of not changing your oil can do to your system! This unit could not be repaired and a new one had to be purchased.
